**2nd AMENDED DESIGNATION OF UNIT
BASPED GAS UNIT**

STATE OF TEXAS §§
COUNTY OF TARRANT §§

KNOW ALL MEN BY THESE PRESENTS:

1. **Designation of Unit.** The undersigned (the "Owner") is the owner of valid and subsisting oil, gas and mineral leases listed in Exhibit A (together with all amendments and corrections thereto, the "Leases") insofar as the Leases cover and affect the land and depths described on Exhibit A. Pursuant to the Leases and with the consent of the lessors of the Leases where required, the Owner hereby pools, consolidates, combines and unitizes said Leases and associated leasehold rights, overriding royalty, and royalty interests for the purpose of drilling for, development, and production of gas and liquid hydrocarbons (including condensate, distillate and other liquids) from the Unit (as defined below). If at any time any tract of land or interest within the Unit is not properly pooled or unitized hereby or is not otherwise committed to the Unit, such fact shall not affect, terminate, impair or invalidate the Unit as to any interest properly pooled or unitized hereby or otherwise.

2. **Description of the Unit.** The unit ("Unit") includes the Leases, or portions thereof, and the interval, as described on Exhibit A, and is comprised only of the lands described in Exhibit B as depicted on the map attached as Exhibit C.

3. **Production from the Unit.** This Designation of Unit covers all production from the land and depths described on the attached Exhibits A, B and C, which is produced from any well drilled to the unitized interval underlying the Unit area. Production from the Unit shall be allocated proportionately among all of the tracts within the Unit in the proportion that the number of surface acres in each of such tracts bears to the total number of surface acres in the Unit.

4. **Amendment.** The Owner reserves the right to amend this Designation of Unit from time to time, and at any time, in order to correct any error herein or to include in this Unit any newly acquired interests within the Unit boundaries or to enlarge or reduce the Unit area in accordance with the applicable rules and regulations of any governmental regulatory body or agency having jurisdiction insofar as such right is granted in the Leases, by appropriate amendments or instruments.

5. **Counterpart Signatures.** This instrument may be executed as one document signed by all parties, or parties named herein may join herein by execution of a counterpart or ratification, with the same effect as if all parties executed this instrument. Executed signature pages from different originals may be combined to form a single original instrument for recording purposes. The failure of any one or more persons owning an interest in the Unit to execute this instrument or a counterpart or ratification thereof shall not in any manner affect the

D208290854

validity of same as to the parties who do execute this instrument. This unit may not be ratified or joined in by any party who is not named below without the consent of the parties hereto.

6. **Effective Date.** The Unit hereby created shall be effective as of December 27th, 2006, and shall remain in force as long as the pooled minerals are being produced from the Unit, or so long as the leases covering the Unit are maintained in force by payment or tender of shut-in royalties or by any other means, in accordance with the terms of the Leases.

This Designation of Unit shall be binding on the Owners and their representatives, successors and assigns.

IN WITNESS WHEREOF, this Designation of Unit is executed on this 9th day of July, 2008.
